

STENHAM

Immediate role for motivated individual with a positive can-do attitude.

Stenham Trustees Limited has over 25 years of experience in the Channel Islands, in assisting international clients in both the establishment and administration of a comprehensive range of onshore and offshore structures. Due to the increase in business activity in our Alderney office, we are looking to recruit for the following position;

CLIENT RISK ANALYST (initial 6 month contract/35 hours per week) - Alderney

Supporting a busy team of professionals in a non-client facing role, the role sits within the Risk department. The main function of the Client Risk Analyst will be to conduct Risk Assessments of the client base in accordance with Guernsey's Anti Money Laundering and Countering Terrorist Financing Framework. The role would suit an individual with good IT skills, attention to detail and deadlines, a flexible working attitude and the ability to work in an organised and methodical manner. A background in risk or compliance with 2 years+ experience and a good knowledge of trust & company law, fiduciary principles and regulatory requirements in appropriate jurisdictions. Full training will be provided.
