

Good Morning,

Please find attached the Transport Statistics for February 2011.

Airport Statistics

Commercial Airline Statistics

The commercial passenger figures for February 2011 were as follows;

Month	2011	2010	INCREASE / DECREASE	% INCREASE / DECREASE
February	4072	3773	299	8%

In February 2011 passenger figures were 4,072 having increased by 8% (299 pax) compared with February 2010 at 3,773.

Aurigny's total numbers of passengers for February 2011 were as follows;

In February 2011 passenger figures increased by 8% (243 pax), this is due to the following; Aurigny's Southampton route increased by 5% (69 pax) and their Guernsey route by 10% (174 pax).

AURIGNY				
February	2011 Total	2010 Total	INCREASE / DECREASE	% INCREASE / DECREASE
TOTAL	3368	3125	243	8%
SOU	1375	1306	69	5%
GSY	1993	1819	174	10%

Malcolm Coupar of Aurigny said "After a year (2010) described as one of the worst in living memory in our industry, in which Aurigny's passenger volumes to and from Alderney dropped by just 1%, I am delighted to report a second consecutive month of growth. Southampton volumes were up 5% and Guernsey volumes up 10%, and we hope that this will set the trend for the rest of the year."

Blue Islands' total numbers of passengers for February 2011 were as follows;

In February 2011, passenger figures increased by 9% (56 pax).

BLUE ISLANDS				
February	2011 TOTAL	2010 TOTAL	INCREASE / DECREASE	% INCREASE / DECREASE
TOTAL	704	648	56	9%
GSY	704	648	56	9%

Private Aviation

The private aviation figures for February 2011 were as follows;

Private Aircraft				
February	2011	2010	<u>INCREASE / DECREASE</u>	<u>% INCREASE / DECREASE</u>
TOTAL PLANES	27	25	2	8%
Crew				
TOTAL CREW	68	60	8	13%

In February 2011, 27 private aircraft visited Alderney, an increase of 8% (2 planes) when compared with February 2010 which received 25. The number of crew thus, increased by 13% (8 pax) in February 2011, from 60 in 2010.

Alderney Airport Manager Keith Webster "A largely flat set of statistics for February which have little relevance given the small numbers involved. However, given the current financial situation, any gain, no matter how small, has got to be good."

YEAR TO DATE TO END OF FEBRUARY 2011				
TRANSPORT TYPE	2011	2010	INCREASE / DECREASE	% INCREASE / DECREASE
