Item V Quay FM: Year Round Broadcasting Licence

The States resolved to approve that "The States of Alderney, in pursuit of its aspiration that there be established on the Island of Alderney a permanent, self funding, independent radio station, supports Quay FM in exploring all options, ways and means of establishing such a radio station. All methods of broadcasting and all frequency bands (FM, AM, HF and Digital) should be considered. Further, the States of Alderney requests that all relevant broadcasting, licensing and regulatory organisations and individuals take note of the above aspiration and use their best endeavours to assist Mr Colin Mason OBE, TD, MPhil. a principal officer of Quay FM, in its realisation."
(Proposed by Colonel Walter and seconded by Mr Postlethwaite.)
(Approved unanimously. Mr Walden declared an interest.)

Item VI Questions and Reports

The President felt that following the recent changes within the Government of Guernsey, communications with the States had improved considerably. Visits by Ministers and Civil Servants had increased, which gave States Members an opportunity to meet and express their views directly.

The President reported that he had attended a joint meeting of The Crown Dependencies, which had been held in Guernsey on 14th July 2006. The meeting had been instructive and informative, particularly as one of the items discussed was looking at methods of Government, and methods of improving Government.

The President reported on the planned EU STaR City Project, mid term Sustainable Future Conference that was being held in Alderney on October 23rd to 28th 2006. During the conference a group of academics and pre PhD researches from the University of Essen would be looking at various aspects of the Island. Following a recent meeting with the event organisers, States Members had been impressed by their keenness and looked forward to supporting their visit in October.

The President reported on today's visit to Alderney from Le PrÃ©fet Maritime, Vice-Admiral Edouard Guillaud who is the Admiral in charge of French waters to the north of France, French activities in the Channel and in the North Sea.

It was noted that Beaumont-Hague would be hosting the 2006 Twining Weekend on Saturday 22nd and Sunday 23rd July.

Meeting Ended 1830
